March 2011

Dear Valued Supporter,

The Bridgeport Little League is currently in its 59th season of baseball in affiliation with Little League Baseball of Williamsport. As we approach our 6th decade of baseball, we invite you to become a donor or our Capital improvement campaign.

We are launching this capital campaign program to improve the ball fields and facilities at our home of Bridgeport Memorial Park. The improving of the field complex includes the following:

- Updated press box and concession improvements
- Fence enhancements throughout the Major league field.
- Replacement of the backstop on the Junior / Senior League field.
- Re-grading of the Minor league field.
- Transformation from the traditional 60ft base paths to the new proposed 70ft format.

It has always been the goal of the directors, managers and coaches of the Bridgeport Little League to provide the children of the area with a quality program that teaches the fundamentals of baseball while instilling in them the concepts of teamwork and sportsmanship.

The Bridgeport Little League seeks to establish strong relationships with alumni, parents, and friends and involve them throughout youth competition. These relationships will help generate operational support which benefits the various levels of Baseball in our organization.

We appreciate the generous support of our league alumni and sponsors and we hope that we can count on you to make a contribution of one of the following levels as we embark upon our 6th decade of baseball.

Those who contribute to Bridgeport Little League are recognized through the following gift levels:
